A chance encounter, destiny's own bet.
Your love, a gift, wrapped in grace,
My heart's journey, an enchanted chase.

Beneath the moonlit sky, our dreams entwine,
Your love, a constellation, forever mine.
In the quiet night, a symphony of desire,
With you, my love, the flames never tire.

A serenade of warmth, each dawn it makes.
In the canvas of morning, colors blend,

A timeless melody, my heart's singer.
In the stillness, your love resonates,
A symphony of emotions, no debate.

Captured moments, a rhythm and rhyme.
Your smile, the lens that captures bliss,
In the album of my heart, you exist.

Our souls dance in a celestial ballet,
Love's choreography, night and day.
In the dance of life, you're my partner,
