

# Northern Metallic

Welcome to Northern Metallic! We provide industries across Canada with the tools, equipment, and expertise they need to succeed. Our goal is to be your trusted partner by offering reliable industrial solutions.

## A Wide Range of Industrial Products

Northern Metallic offers a broad selection of products to meet various industrial needs. Here's what you can find in our inventory:

**Heavy Machinery:** We rent out excavators, backhoes, and skid steer loaders—perfect for construction and industrial tasks.

**Power Tools:** Our high-performance tools help you work efficiently and accurately from drills to welders and saws.

**Safety Equipment:** Keep your team safe with our top-quality safety gear, including gloves, helmets, and eye protection.

**Maintenance Supplies:** Ensure smooth operations with our lubricants, chemicals, and MRO products.

## Tailored Solutions for Various Industries

Northern Metallic supports a range of industries with specialized solutions:

**Construction:** We provide tools and machinery like concrete mixers and scaffolding to handle tough construction tasks.

**Mining and Oil & Gas:** Our durable equipment, such as air compressors and hydraulic wrenches, is built to endure harsh conditions.

**Forestry:** Our equipment, including chain-saws and wood chippers, helps with logging and land management.

**Agriculture:** Farmers use our tractors and irrigation systems to boost productivity and efficiency.

## Outstanding Customer Service

At Northern Metallic, we focus on more than just selling products. We build partnerships with our clients by offering:

**Expert Advice:** Our knowledgeable team provides tailored recommendations to meet your specific needs.

**Flexible Rentals:** We offer rental options that fit both short-term and long-term projects.

**Ongoing Support:** We're here to assist you with maintenance and operation, ensuring your equipment performs at its best.

## Industries We Serve

We serve a diverse range of sectors to meet different needs:

**Transportation:** Tools and equipment for maintaining and repairing cars, trucks, and buses.

**Institutional:** Reliable supplies for schools, hospitals, and other institutions.

**Agricultural:** Essential tools and equipment for farms, from small to large-scale operations.

## Why Choose Northern Metallic?

**Wide Selection:** We offer a vast inventory of tools, machinery, and equipment to meet various industrial needs. Whether you're looking for heavy-duty construction machinery or precision power tools, we have a comprehensive range to ensure you find exactly what you need.

**Reliable Service:** Our team is committed to providing dependable service and support throughout your experience with us. We ensure prompt responses to inquiries, efficient delivery, and expert assistance to help you navigate your choices and address any issues.

**Quality Assurance:** We prioritize quality by sourcing products from trusted manufacturers and conducting thorough checks to meet high-performance standards. Our rigorous quality control process ensures that every item you receive performs reliably and lasts longer, minimizing downtime and enhancing productivity.
